

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Siddhi Shah
DOCKET NO.: 23-40109.001-R-1
PARCEL NO.: 03-30-230-001-0000

The parties of record before the Property Tax Appeal Board are Siddhi Shah, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,630
IMPR.: \$49,418
TOTAL: \$57,048

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,110 square feet of living area. The dwelling was built in 1998 and is approximately 25 years old. Features include a full basement, 2½ bathrooms, central air conditioning, and a 3-car garage. The property has a 7,630 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and from 0.5 of a mile to 1 mile from the subject property. The comparables are improved with 2-story, class 2-78 dwellings of masonry or frame and masonry exterior construction ranging in size from 3,047 to 3,593 square feet of living area. The homes range in age from 17 to 38 years old. Each

comparable has a full or partial basement, 3½ bathrooms, central air conditioning, one or two fireplaces, and a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$46,646 to \$63,006 or from \$13.11 to \$17.56 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$49,418.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,000. The subject property has an improvement assessment of \$57,370 or \$18.45 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and on the same block or ¼ of mile from the subject property. The comparables are improved with 2-story, class 2-78 dwellings of frame exterior construction ranging in size from 2,863 to 3,721 square feet of living area. The homes range in age from 3 to 10 years old. Each comparable has a full basement, from 2½ to 4½ bathrooms, central air conditioning, and a 2-car or a 3-car garage. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$67,080 to \$84,806 or from \$22.01 to \$24.35 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4, as well as the board of review comparables, which are less similar to the subject in location, age, and/or dwelling size than the other comparables in this record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 which are overall more similar to the subject in location, design/class, age, dwelling size, and other features. The two best comparables have improvement assessments of \$46,646 and \$49,154 or \$13.11 and \$15.34 per square foot of living area, respectively. The subject's improvement assessment of \$57,370 or \$18.45 per square foot of living area falls above the two best comparables in this record and appears to be excessive due to the subject's older age, lesser bathroom count, and smaller dwelling size when compared to the two best comparables. After considering appropriate adjustments to the two best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
