

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Duane Clark  
DOCKET NO.: 23-40491.001-R-1  
PARCEL NO.: 03-20-300-089-0000

The parties of record before the Property Tax Appeal Board are Duane Clark, the appellant(s), by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,580  
**IMPR.:** \$34,208  
**TOTAL:** \$42,788

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an approximately 56-year-old dwelling of frame and masonry construction with 2,452 square feet of living area. A feature of the property is a two-car garage. The property has an 8,580 square foot site located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance. The record discloses that the subject was owner-occupied during the lien year.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparable properties with varying degrees of similarities to the subject. These comparables are described as frame and masonry construction, two-story dwellings. They range in age from 54 to 56 years; in size from 2,111 to 2,228 square feet of living area; and an improvement assessment from \$14.30 to \$15.78

per square foot of living area. The suggested comparable properties are located within a .4-mile radius of the subject property. The appellant requested the subject's total assessment be reduced to \$45,286.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,000. The subject property has an improvement assessment of \$40,420 or \$16.48 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties with varying degrees of similarities to the subject. These comparables are described as frame and masonry construction, two-story dwellings. They range in age from 54 to 58 years; in size of 2,171 to 2,569 square feet of living area; and an improvement assessment ranging from \$16.62 to \$17.60 per square foot of living area. The properties are located on the same block as the subject property. The board of review requested that the assessment be confirmed.

In rebuttal, the appellant pointed out characteristic differences in the board of review's suggested comparables to the subject. The appellant reaffirmed its position that the 2023 assessed value for the subject property is excessive and that the total assessment should be reduced.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2022 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. 35 ILCS 200/16-185.

Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 22-48340.001-R-1, it rendered a decision lowering the subject's assessment for tax year 2022 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2022 and the instant tax year of 2023 are in the same general assessment period for Wheeling Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the 2023 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2022 tax year, or that the Board's decision for the 2022 tax year was reversed or modified upon review. For these reasons the Board finds that a reduction in the subject's assessment is warranted to

Docket No: 23-40491.001-R-1

reflect the assessment as established in the Board's 2022 tax year decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
