

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Gabriel
DOCKET NO.: 23-40859.001-R-1
PARCEL NO.: 28-30-209-002-0000

The parties of record before the Property Tax Appeal Board are Eric Gabriel, the appellant, by attorney Andreas Mamalakis of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,510
IMPR.: \$11,419
TOTAL: \$14,929

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 1,264 square feet of living area. The dwelling is approximately 74 years old. Features of the property include a full basement, central air conditioning and a 2-car garage. The property has a 7,800 square foot site and is located in Tinley Park, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .52 of a mile from the subject property. The comparables are class 2-03 properties improved with 1-story or 1.5-story dwellings of frame exterior construction ranging in size from 1,173 to 1,398 square feet of living

area. The dwellings are 62 or 93 years old. Each comparable has a full or partial basement and one or two fireplace. Comparable #4 has central air conditioning and four comparables each have either a 1-car, a 1.5-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$10,414 to \$13,263 or from \$8.85 to \$9.49 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement be reduced to \$10,902 or \$9.07 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,010. The subject property has an improvement assessment of \$19,500 or \$16.22 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located either within the same block as the subject or approximately ¼ of a mile from the subject or within a subarea of the subject. The comparables are class 2-02 properties improved with 1-story or 1.5-story dwellings of frame or masonry exterior construction ranging in size from 750 to 816 square feet of living area. The dwellings range in age from 70 to 74 years old. The comparables each have a full basement, one of which has finished area. Comparable #4 has central air conditioning and a fireplace. Each comparable has either a 1-car, a 2-car or a 2.5-car garage. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables #3 and #4 due to their older dwelling ages and/or lack of a garage, when compared to the subject. The Board has given reduced weight to the board of review comparables due to their substantially smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2 and #5, which are overall more similar to the subject in location, dwelling size, age and some features. However, the Board finds all three dwellings lack central air conditioning, a feature of the subject, suggesting upward adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, the comparables have improvement assessments that range from \$10,414 to \$13,263 and \$15,959 or \$8.29 and \$9.49 per square foot of living area. The subject's improvement assessment of \$19,500 or \$16.22 per square foot of living area falls above the range established by the best comparables in the record. After considering

adjustments to the best comparables for differences from the subject, the Board finds the subject's improvement assessment is excessive. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
