

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ming Yung
DOCKET NO.: 23-41660.001-R-1
PARCEL NO.: 17-32-221-022-0000

The parties of record before the Property Tax Appeal Board are Ming Yung, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,600
IMPR.: \$19,871
TOTAL: \$34,471

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a 3,650 square foot parcel of land improved with a 49-year-old, one-story, masonry, single-family dwelling containing 1,140 square feet of building area. Amenities of the home include a full, unfinished basement and a two-car garage. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant checked the box for a contention of law argument as the basis of the appeal. The appellant submitted a letter asserting that the property next door to the subject is identical to the subject and assessed lower than the subject. The appellant submitted a black and white photograph of the properties in support of this argument. The Board finds this to be an assessment equity argument.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$34,470 with an improvement assessment of \$19,870 or \$17.43 per square foot of building area. In support of the current assessment, the board of review submitted four suggested comparables. The comparables are described as one-story, masonry, single-family dwellings located within a quarter mile of the subject. Amenities include a full, unfinished basement and a two-car garage. Three comparables have air conditioning. They range: in age from 35 to 59 years; in size from 1,100 to 1,154 square feet of building area; and in improvement assessment from \$17.43 to \$25.13 per square foot of building area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the board of review's comparables. While the appellant's comparable appears to be similar to the subject in the photograph, the appellant failed to provide information on the characteristics of the subject such as age, size and amenities. The appellant also did not break down the assessment by land and improvement. The board of review's comparables had improvement assessments ranging of \$17.43 to \$25.13 per square feet of building area. In comparison the subject's improvement assessment of \$17.43 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
