

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rachel Kolinski  
DOCKET NO.: 23-42492.001-R-1  
PARCEL NO.: 28-30-208-035-0000

The parties of record before the Property Tax Appeal Board are Rachel Kolinski, the appellant, by attorney Abby L. Strauss of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,618  
**IMPR.:** \$19,382  
**TOTAL:** \$23,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame exterior construction with 1,158 square feet of living area. The dwelling is approximately 70 years old. The property features a full basement, central air conditioning and a 2-car garage. The property has an 8,040 square foot site and is located in Tinley Park, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located from .64 of mile to 1.16 miles from the subject property. The comparables are class 2-03 properties improved with 1-story dwellings of frame exterior construction ranging in size from 1,040 to 1,300 square feet of living area. The dwellings range in age from 69 to 74 years old.

One comparable has a partial basement, two comparables each have a crawl space foundation and two comparables each have a concrete slab foundation. Each comparable has either a 1-car, a 1.5-car, a 2-car or a 2.5-car garage. Comparable #4 has central air conditioning. The comparables have improvement assessments that range from \$10,305 to \$13,410 or from \$8.85 to \$11.00 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$11,475 or \$9.91 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,000. The subject property has an improvement assessment of \$19,382 or \$16.74 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within the same block as the subject property. The comparables are class 2-03 properties improved with 1.5-story dwellings of frame exterior construction ranging in size from 1,125 to 1,273 square feet of living area. The dwellings range in age from 71 to 74 years old. The comparables each have a full basement, central air conditioning and either a 1.5-car, a 2-car or a 3-car garage. Comparable #4 has a fireplace. The comparables have improvement assessments ranging from \$19,310 to \$22,409 or from \$16.88 to \$18.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables due to their dissimilar 1-story designs when compared to the subject's 1.5-story design and/or they lack a basement foundation and/or central air conditioning, both features of the subject. Additionally, the appellant's comparable #5 is located more than one mile from the subject.

The Board finds the best evidence of assessment equity to be the four comparables submitted by the board of review, which are overall more similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments ranging from \$19,310 to \$22,409 or from \$16.88 to \$18.14 per square foot of living area. The subject's improvement assessment of \$19,382 or \$16.74 per square foot of living area falls at the lower end of the range established by the best comparables in the record in terms of total improvement assessment but below the range on a per square foot of living area basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the

Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
