

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephanie Sanford
DOCKET NO.: 23-42718.001-R-1
PARCEL NO.: 31-17-324-018-0000

The parties of record before the Property Tax Appeal Board are Stephanie Sanford, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,660
IMPR.: \$19,640
TOTAL: \$23,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of an 8,400 square foot parcel of land improved with a 34-year-old, multi-level, frame, single-family dwelling containing 1,417 square feet of building area. Amenities of the home include a partial finished basement, a fireplace, air conditioning, and a two-car garage. The property is located in Matteson, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted data on five suggested comparables. The comparables are described as multi-level, frame and masonry, single-family dwellings located within three quarters of a mile of the subject. Amenities include a partial basement, a fireplace, air conditioning, and a two-car garage. They range: in age from 22 to 48 years; in size from 1,508 to 1,832 square feet of building area; and in improvement assessment from \$10.46 to \$11.96 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$23,000 with an improvement assessment of \$19,640 or \$13.86 per square foot of building area. In support of the current assessment, the board of review submitted three suggested comparables. The comparables are described as multi-level, frame or frame and masonry, single-family dwellings located on the subject's block. Amenities include a partial, finished basement, a fireplace, and air conditioning. All comparables have two-car garages. They range: in age from 35 to 43 years; in size from 1,224 to 1,343 square feet of building area; and in improvement assessment from \$14.80 to \$16.86 per square foot of building area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #5 and the board of review's comparable #3. These comparables had improvement assessments ranging of \$11.82 to \$16.86 per square feet of building area. While all the comparables are similar in location, age, construction and amenities, these comparables received the most weight due to being closest in size to the subject. In comparison the subject's improvement assessment of \$13.86 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
