

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeanette Lesniak
DOCKET NO.: 23-43152.001-R-1
PARCEL NO.: 14-33-308-053-0000

The parties of record before the Property Tax Appeal Board are Jeanette Lesniak, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,613
IMPR.: \$43,707
TOTAL: \$57,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story townhome of masonry exterior construction with 1,566 square feet of living area. The dwelling is approximately 55 years old. Features of the home include a crawl space foundation, central air conditioning, and two fireplaces. The property has a 1,089 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables have varying degrees of similarity to the subject in features and amenities and have

improvement assessments ranging from \$42,575 to \$50,913 or from \$28.69 to \$32.51 per square foot of living area.

The appellant disclosed in the appeal petition that the subject is an owner-occupied residence. The Board takes judicial notice that the subject property was the subject matter of an appeal before the Board for the 2021 tax year as Docket No. 21-39905.001-R-1 in which the Board issued a decision reducing the subject's assessment to \$57,320 based on the evidence presented by the parties.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,999. The board of review disclosed 2021 was the first year of the general assessment cycle for the subject and no township equalization factor was applied in 2023. In support of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables have varying degrees of similarity to the subject in features and amenities and have improvement assessments ranging from \$52,700 to \$53,237 or from \$33.65 to \$34.00 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Adm.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Adm.Code §1910.65(b).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Board for the 2021 tax year under Docket No. 21-39905.001-R-1 in which a decision was issued based

upon the evidence presented by the parties reducing the subject's assessment to \$57,320. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2021 to 2023 tax years are within the same general assessment period and no equalization factor was applied in North Chicago Township in 2023. Furthermore, the decision of the Board for the 2021 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$57,320, which is less than the 2023 assessment of the subject property of \$65,999.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
