

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deekays, LLC
DOCKET NO.: 23-43211.001-R-1
PARCEL NO.: 18-30-306-012-0000

The parties of record before the Property Tax Appeal Board are Deekays, LLC, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,382
IMPR.: \$123,617
TOTAL: \$145,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 7,263 square feet of living area. The dwelling is approximately 22 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 4-car garage. The property has an approximately 27,130 square foot site and is located in Burr Ridge, Lyons Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-09 dwellings of masonry exterior construction ranging in size from 6,666 to 7,345 square feet of living area and range from 27 to 32 years old.

Each comparable has a basement with finished area, central air conditioning, one to three fireplaces and from a 3-car to a 4-car garage. The comparables have improvement assessments ranging from \$94,552 to \$111,596 or from \$13.54 to \$15.26 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$106,911 or \$14.72 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$145,999. The subject property has an improvement assessment of \$123,617 or \$17.02 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-09 dwellings of masonry exterior construction ranging in size from 6,604 to 7,449 square feet of living area that range from 22 to 31 years old. Each comparable has a basement, with one having finished area. Each dwelling has central air conditioning, two or three fireplaces and a 3-car or a 4-car garage. The comparables have improvement assessments ranging from \$118,312 to \$131,033 or from \$17.31 to \$19.84 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration all of which are generally similar to the subject in location, age, design, dwelling size and other features. Nevertheless, the Board gives less weight to appellant comparables #3 and #5 along with board of review comparables #3 and #4 which have a smaller garage capacity when compared to the subject and other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparables #1, #2 and #4 as well as board of review comparables #1 and #2 which are more similar to the subject in location, age, design, dwelling size, garage capacity and other features. These comparables have improvement assessments ranging from \$94,552 to \$131,033 or from \$13.54 to \$19.84 per square foot of living area. Removing the comparables with the lowest and highest improvement assessment, appellant comparable #1 and board of review comparable #2 results in a tighter range of \$102,344 to \$128,942 or from \$14.31 to \$17.31 per square foot of living area. The subject's improvement assessment of \$123,617 or \$17.02 per square foot of living area falls within the range established by the best comparables with the narrowest range of improvement assessment in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing

evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
