

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Maroutsos
DOCKET NO.: 23-43792.001-R-1
PARCEL NO.: 13-12-414-003-0000

The parties of record before the Property Tax Appeal Board are Peter Maroutsos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,000
IMPR.: \$50,356
TOTAL: \$59,356

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, multi-family building of masonry exterior construction with 2,796 square feet of gross building area. The building is approximately 106 years old. Features include a full basement and a 1-car garage. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on seven equity comparables located within the subject's assessment neighborhood and within 0.19 of a mile from the subject property. The comparables are improved with 2-story, class 2-11 multi-family buildings of frame or masonry exterior construction ranging in size from 2,040 to 3,090 square

feet of gross building area. The buildings range in age from 27 to 109 years old. Six comparables each have a full basement and one comparable has a slab foundation. Two comparables each have central air conditioning. Five comparables each have from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$23,480 to \$52,345 or from \$11.51 to \$16.94 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$42,863.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,356. The subject property has an improvement assessment of \$50,356 or \$18.01 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables¹ located within the subject's assessment neighborhood and on the same block; three of which are also along the same street as the subject property. The comparables are improved with 2-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 2,721 to 2,850 square feet of gross building area. The buildings range in age from 101 to 111 years old. Each comparable has a full basement. Three comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$53,353 to \$63,000 or from \$18.76 to \$23.15 per square foot of gross building area. The board of review asserts the assessed values per square foot for the submitted comparables support the subject's assessed value as equitable.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 10 suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparable #1 due to differences when compared to the subject in age, dwelling size, foundation type, central air conditioning, and/or garage amenity.

The Board finds the best evidence of assessment equity to be the board of review comparables #2 and #3 which are overall most similar to the subject in location, design/class, age, gross building size, and other features. The two best comparables have improvement assessments of \$53,353 and \$57,000 or \$18.76 or \$20.00 per square foot of gross building area. The subject's improvement assessment of \$50,356 or \$18.01 per square foot of gross building area falls below the two best comparables in this record. After considering the necessary adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did

¹ The Board finds board of review comparable #4 is the same property as board of review comparable #3, as the properties have the same property index number, physical address, and property characteristics.

not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
