

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Audra Fouts
DOCKET NO.: 23-45065.001-R-1
PARCEL NO.: 31-24-438-014-0000

The parties of record before the Property Tax Appeal Board are Audra Fouts, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,977
IMPR.: \$11,023
TOTAL: \$14,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a 7,442 square foot parcel of land improved with a 65-year-old, one-story, frame and masonry, single-family dwelling containing 1,551 square feet of building area. Amenities of the home include air conditioning and a two-car garage. The property is located in Park Forest, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted data on four suggested comparables. The comparables are described as one-story, frame and masonry, single-family dwellings located within one and one-half miles of the subject. Amenities include a one or two-car garage and, for three properties, air conditioning. They are 66 years old, contain from 1,452 to 1,566 square feet of building area, and have improvement assessment from \$5.09 to \$5.62 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$13,999 with an improvement assessment of \$11,023 or \$7.11 per square foot of building area. In support of the current assessment, the board of review submitted three suggested comparables. The comparables are described as one-story, frame and masonry, single-family dwellings located within a quarter mile of the subject with one located on the subject's block. Amenities include air conditioning and a two-car garage. One comparable has a partial, finished basement. They range: in age from 56 to 65 years; in size from 1,204 to 1,551 square feet of building area; and in improvement assessment from \$7.02 to \$10.07 per square foot of building area. Comparable #3 is disclosed to be in poor condition.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables for their size and the board of review's comparables #1 and #2 for their size and location. These comparables had improvement assessments ranging of \$5.09 to \$7.80 per square feet of building area. The remaining comparable was given less weight due to differences in size and condition. In comparison the subject's improvement assessment of \$7.11 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
