

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rossella Mancinelli
DOCKET NO.: 23-45066.001-R-1
PARCEL NO.: 15-05-220-001-0000

The parties of record before the Property Tax Appeal Board are Rossella Mancinelli, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,044
IMPR.: \$26,656
TOTAL: \$31,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a single-family dwelling with 2,875 square feet of living area of frame and masonry construction. Features of the home include a full basement, central air conditioning, a fireplace, and a two-car garage. The property has a 10,088 square foot site located in Proviso Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on seven comparable sales and supplemented these sales with numerous sales from Realtor.com.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,000. The subject's assessment reflects a market value of \$420,000 or \$146.09 per square foot of living area, including land, when applying the 2023 level

of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on eight properties suggested as comparable to the subject.

In written rebuttal, the appellant differentiated the board of review's comparable properties from the subject property.

At hearing, the appellant stated her previously submitted comparable properties are located near the subject and have a median sale price of \$297,500. The appellant stated she has attempted to obtain a disabled veteran exemption for the subject property. The board of review's representative stood on the board's previously submitted comparable properties. The appellant stated the board of review's comparable properties are located miles away from the subject property and are in a different neighborhood.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales. These comparables had a median sale price of \$297,500. After making adjustments to the comparables for size, location, and age, the Board finds an assessment reduction to the appellant's requested assessment of \$31,700 is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
