FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Matthew Rosenberg
DOCKET NO.: 23-45475.001-R-1
PARCEL NO.: 13-13-106-006-0000

The parties of record before the Property Tax Appeal Board are Matthew Rosenberg, the appellant(s), by attorney Marie Mactal, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$9,072
IMPR.:	$47,977
TOTAL:	$57,049

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a one-story dwelling of masonry construction with 1,818 square feet of living area. The dwelling is approximately ninety-four years old. Features of the home include a full basement, central air conditioning and a one-car garage. The property is in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity, contention of law as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparable90. The five appellant comparables are all generally the same age, with similar features. They range in size from 2,011 to 2,390 square feet of living area; and in improvement assessments from $48,541 to $61,351 or $23.01 to $25.67 per square foot of living space. The comparable properties are in close proximity to the subject with none being further than .14 miles distance. The appellant is asking for a reduction in total assessment to $48,572.
The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $60,049. The subject property has an improvement assessment of $50,977 or $28.04 per square foot of living area.
In support of its contention of the correct assessment the board of review submitted information on three equity comparables. Each of the board comparable properties are one-story of masonry or stucco construction. The board included the sales price of the subject home and one other comparable property. The comparable property sold in August 2021 for $950,000, land included or $511.03 sale price per square foot, or $28.04 assessed per square foot.

They have similar features and range in size from 1,821 to 2,100 square feet of living area; and in improvement assessment from $65,152 to $77,592 or $35.78to $40.96 per square foot of living space. The board of review is asking for no change in assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables one through four.* These comparables were very close in proximity and had substantially similar features. The subject improvement assessment of $28.04 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
