

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joshua Sigman
DOCKET NO.: 23-46100.001-R-1
PARCEL NO.: 13-34-224-017-0000

The parties of record before the Property Tax Appeal Board are Joshua Sigman, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,253
IMPR.: \$23,338
TOTAL: \$34,591

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 2,496 square feet of gross building area. The building was constructed in 1914 and is approximately 109 years old. Features of the building include a full unfinished basement, two full bathrooms and a two-car garage. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables that have the same assessment neighborhood code and property classification code as the subject and are located from .1 to .6 of a mile from the subject property. The comparables are improved with 1.5-story or 2-story multi-family buildings of frame or masonry exterior

construction ranging in size from 2,392 to 2,623 square feet of gross building area. The buildings are from 105 to 123 years old. The comparables each have a basement. However, the appellant did not address whether there was basement finish and only reported "n/a" in the finished basement area section of the grid analysis. Each comparable has two or three full bathrooms and a two-car garage. Comparable #3 has central air conditioning. The comparables have improvement assessments that range from \$13,083 to \$16,625 or from \$5.25 to \$6.50 per square foot of gross building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$15,046 or \$6.03 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,591. The subject property has an improvement assessment of \$23,338 or \$9.35 per square foot of gross building area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code and property classification code as the subject and are located along the same street as the subject and within the same block or approximately $\frac{1}{4}$ of a mile from the subject property. The comparables are improved with 2-story multi-family buildings of masonry exterior construction containing 2,456 or 2,560 square feet of gross building area. The buildings are from 105 to 110 years old. The comparables each have a full basement, one of which has finished area. Each comparable has two full bathrooms and a two-car garage. The comparables have improvement assessments ranging from \$23,799 to \$25,750 or from \$9.67 to \$10.48 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables which are less similar to the subject in location or building age. Additionally, the appellant's comparable #3 has central air conditioning, unlike the subject. The Board has given reduced weight to board of review comparable #3 which has basement finish, not a feature of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2 and #4, which are located along the same street and within the same block or approximately $\frac{1}{4}$ of a mile from the subject property. These three comparables are similar to the subject in building size, design, age and most features. The comparables have improvement assessments of \$23,799 or \$24,750 or from \$9.67 to \$10.08 per square foot of gross building area. The subject's improvement assessment of \$23,338 or \$9.35 per square foot of gross building area is less than

the three best comparables in the record both in terms of total improvement assessment and on a per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
