

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kashan Baqai
DOCKET NO.: 23-47793.001-R-1
PARCEL NO.: 18-30-306-041-0000

The parties of record before the Property Tax Appeal Board are Kashan Baqai, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,421
IMPR.: \$80,195
TOTAL: \$103,616

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 4,884 square feet of living area. The dwelling is approximately 34 years old. Features of the home include a basement, central air conditioning, two fireplaces and a 4-car garage. The property has an approximately 28,390 square foot site and is located in Burr Ridge, Lyons Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The

comparables are improved with class 2-04 dwellings¹ of frame and masonry exterior construction ranging in size from 4,742 to 5,189 square feet of living area. The homes range from 31 to 39 years old. Each comparable has a basement, central air conditioning, one to three fireplaces and a 3-car or a 3.5-car garage. The comparables have improvement assessments ranging from \$72,064 to \$89,500 or from \$13.89 to \$18.87 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$80,195 or \$16.42 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$124,999. The subject property has an improvement assessment of \$101,578 or \$20.80 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of frame exterior construction each with 2,436 square feet of living area. The homes are from 1 year to 7 years old. Each comparable has a basement, central air conditioning, one fireplace and a 3-car garage. The comparables have improvement assessments ranging from \$81,704 to \$101,133 or from \$33.54 to \$41.52 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

In rebuttal, the appellant critiqued the board of review's comparables arguing the properties are substantially newer in age, have a smaller dwelling size and a frame exterior construction when compared to the subject.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board the Board gives little weight to the board of review's comparables which are from 27 to 33 years newer in age and approximately 50% smaller in dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables, which are more similar to the subject in age, classification, dwelling size and most features, although they are located more than one mile from the subject. These comparables have improvement assessments ranging from \$72,064 to \$89,500 or from \$13.89 to \$18.87 per square foot of living area. The subject's improvement assessment of \$101,577 or \$20.80 per square foot of living area falls above the range established by the best comparables in this record. After considering

¹ The Board finds the appellant's comparables to be class 2-04 properties defined as "One-story Residence, any age, 1,801 square feet and over" under the Cook County Classifications of Real Property.

adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
