

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Share  
DOCKET NO.: 23-47809.001-R-1  
PARCEL NO.: 10-07-200-025-0000

The parties of record before the Property Tax Appeal Board are Aaron Share, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$69,517  
**IMPR.:** \$69,500  
**TOTAL:** \$139,017

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an approximately 64-year-old one-story dwelling of frame and masonry construction with 3,144 square feet of living area. Features of the home include a partial basement, central air conditioning, a fireplace and a two-car garage. The property has a 77,760 square foot site and is located in Glenview, Niles Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables. The comparables are located within 0.5 miles of the subject property. The comparables are 65- to 83-year-old one-story class 2-04 residences with masonry or frame and masonry construction. The comparables have between 2,997 and 4,822 square feet of living area and have improvement assessments

between \$16.81 and \$18.42 per square foot of living area. The appellant is requesting a total assessment of \$89,852.

The county board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$139,017. The subject property has an improvement assessment of \$69,500 or \$22.11 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Comparables #1 and #2 are located on the same block as the subject. The board of review did not state the distance of comparables #3 and #4 to the subject but indicated they are located in the same neighborhood. The comparables are 56- to 72-year-old one- or 1.5-story residences with frame, masonry or frame and masonry construction. The comparables have between 2,800 and 3,408 square feet of living area and have improvement assessments between \$22.44 and \$25.43 per square foot. The board of review is requesting that the current assessment be confirmed.

### **Conclusion of Law**

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4<sup>th</sup> Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not fewer than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #4, #5, and #6 and board of review's comparables #1 and #2. As for comparables that are not best evidence, appellant's comparables #1 and #2 are larger than the subject. Appellant's comparable #3 does not have a basement while the subject has a basement. Board of review's comparables #3 and #4 are located an unspecified distance away from the subject. In rebuttal, the appellant argued that the comparables of the board of review should be granted less weight for various reasons, but the appellant relied on an assessment number that included land which is not a type of analysis done by the Property Tax Appeal Board. This is especially the case since the appellant had a land size that is significantly larger than all other comparables that would affect this number. The best comparables had improvement assessments that ranged from \$16.81 to \$24.09 per square foot of living area. The subject's improvement assessment of \$22.11 per square foot of living area falls

within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
