

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Francisco Perez
DOCKET NO.: 23-47847.001-R-1
PARCEL NO.: 13-27-317-029-0000

The parties of record before the Property Tax Appeal Board are Francisco Perez, the appellant, by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,852
IMPR.: \$16,152
TOTAL: \$28,004

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 908 square feet of living area. The dwelling is approximately 94 years old. Features of the home include a basement, a fireplace and a 2-car garage. The property has a 4,739 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the subject's assessment neighborhood and from 0.04 to 0.62 of a mile from the subject. The comparables consist of class 2-02 dwellings of masonry exterior construction ranging in size from 744 to 966 square feet of living area. The homes are from 100 to 113 years old. Four comparables each have a basement, and one comparable has a slab

foundation. Four comparables have either a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$10,756 to \$13,875 or from \$12.29 to \$14.46 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$11,159 or \$12.29 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,004. The subject property has an improvement assessment of \$16,152 or \$17.79 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and within the subject's block or approximately ¼ of a mile from the subject. The comparables consist of 1-story, class 2-02 dwellings of masonry exterior construction ranging in size from 880 to 939 square feet of living area. The homes are from 97 to 108 years old. Each comparable has a basement and a 2-car garage. One comparable has central air conditioning, and one comparable has a fireplace. The comparables have improvement assessments ranging from \$17,350 to \$19,000 or from \$18.56 to \$21.59 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables and the board of review's comparable #4 which are less similar to the subject in age or dwelling size than the other comparables in the record. In addition, the appellant's comparables #2 and #4 lack either a basement foundation or a garage, which are features of the subject, and the board of review's comparable #4 has central air conditioning, which is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #2 and #3 which overall are most similar to the subject in location, design, age, dwelling size, foundation type, and most features. These three comparables have improvement assessments ranging from \$18,400 to \$19,000 or from \$19.60 to \$21.59 per square foot of living area. The subject's improvement assessment of \$16,152 or \$17.79 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
