

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karina Vazquez
DOCKET NO.: 23-47892.001-R-1
PARCEL NO.: 03-17-402-041-0000

The parties of record before the Property Tax Appeal Board are Karina Vazquez, the appellant, by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,893
IMPR.: \$30,106
TOTAL: \$40,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,672 square feet of living area. The dwelling is approximately 57 years old. Features of the home include a partial basement, central air conditioning and a 2-car garage. The property has an approximately 9,903 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-34 single family dwellings of frame and masonry exterior construction that range in size from 1,572 to 1,987 square feet of living area. The dwellings range in age from 50 to 57 years old. Each comparable has a partial basement and either a 1.5-car or 2-car garage. Three comparables each have one fireplace. The comparables have improvement assessments

that range from \$24,052 to \$30,375 or from \$12.95 to \$15.47 per square foot of living area. Based on this evidence, the appellant requested a reduction the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,999. The subject property has an improvement assessment of \$30,106 or \$18.01 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-34 multi-level dwellings of frame and masonry exterior construction that range in size from 1,452 to 1,672 square feet of living area. The dwellings range in age from 57 to 59 years old. Each comparable has a partial basement and either a 1.5-car or a 2-car garage. Two comparable have central air conditioning and three comparables each have one fireplace. The comparables have improvement assessments that range from \$27,588 to \$37,199 or from \$19.00 to \$22.25 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables as well as board of review comparables #1 and #3 due to their larger dwelling size and/or lack of central air conditioning when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #2 and #4. The Board finds that these comparables are most similar to the subject in location, design, central air conditioning, age, and features. However, each comparable is smaller in dwelling size, suggesting upward adjustments would be required to make these two comparables more equivalent to the subject. Nevertheless, these two most similar comparables have improvement assessments of \$27,588 and \$31,918 or \$19.00 and \$21.98 per square foot of living area. The subject's improvement assessment of \$30,106 or \$18.01 per square foot of living area is bracketed by the two best comparables in this record on an overall improvement assessment basis but falls below the comparables on a per square foot basis. Based on this record and after considering adjustments to the two best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
