The parties of record before the Property Tax Appeal Board are Maged Abdallah, the appellant(s), by attorney James P. Boyle, of Crane and Norcross LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

23-48154.001-I-3	13-33-400-040-0000	19,250	26,926	$46,176

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of land totaling 19,285 square feet and improved with 70-year-old, a one and part two-story, masonry, industrial building containing 21,800 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant completed *Section IV-Recent Sale Data* of the petition and disclosed that the subject was purchased from FNBW f/k/a First National Bank of Wheaton as Trustee on November 11, 2020 for $350,000. The petition also disclosed that the subject: was not transferred between related parties; was sold with the involvement of the realty firm CTK Chicago Partners; was advertised for sale on the multiple listing service (MLS) for 889 days; and

was not sold due to a foreclosure or contract for deed. The appellant included the settlement statement which listed commissions to two realty companies.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of $405,208 which reflects a market value of $1,620,832 using the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25%.

In support of the current assessment, the board of review included data sheets on eight sales comparables. However, the board of review failed to list these sales on the Comparable Sales/Assessment Equity Grid Analysis form as prescribed by the Board. See 86 Ill. Adm. Code §1910.63(c). The sanction for failure to use the prescribed form is that the board of review's comparables not listed on the prescribed form will be given no weight. *Standing Order No. 2.*

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. *86 Ill.Admin.Code §1910.63(e)*. Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. *86 Ill.Admin.Code §1910.65(c)*. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2020 for $350,000. The appellant provided information in Section IV-Recent Sale Data of the appeal that the parties to the transaction were not related, that the property was sold using a realtor, that the property had been advertised on the open market, and that the subject property was not sold due to a foreclosure. The board of review did not refute this sale or that it was not at arm's length. Based on this record, the Board finds the subject property had a market value of $350,000 as of January 1, 2022, and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 25% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
