

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roshanda Hurt  
DOCKET NO.: 23-48222.001-R-1  
PARCEL NO.: 15-15-420-013-0000

The parties of record before the Property Tax Appeal Board are Roshanda Hurt, the appellant, by attorney Andrew S. Dziuk of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,679  
**IMPR.:** \$17,320  
**TOTAL:** \$19,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry exterior construction with 989 square feet of living area. The dwelling is approximately 97 years old. The home features a basement, one bathroom and a 2-car garage. The property has a 4,466 square foot site and is located in Maywood, Proviso Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .42 of a mile from the subject property. The comparables are class 2-02 properties that are improved with single-family dwellings of masonry exterior construction ranging in size from 875 to 993 square feet of living area. The dwellings are from 94 to 99 years old. One

comparable has a concrete slab foundation and four comparables each have a basement. Each comparable has one bathroom and two comparables each have either a 1.5-car or a 2-car garage. The comparables have improvement assessments that range from \$14,077 to \$16,025 or from \$15.09 to \$16.40 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$14,924 or \$15.09 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,999. The subject property has an improvement assessment of \$17,320 or \$17.51 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables that have the same assessment neighborhood code as the subject property and are located within the same block and along the same street as the subject. The comparables are class 2-02 properties that are improved with one-story dwellings of masonry exterior construction, each 99 years old and containing 989 square feet of living area. The comparables each have a basement, two of which have finished area. Each comparable has one bathroom, one comparable has central air conditioning and three comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments of \$17,320 and \$18,320 or \$17.51 and \$18.52 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #2, #3 and #5, as well as board of review comparable #2 due to their lack of a garage or their lack of a basement foundation. Additionally, board of review comparable #2 has central air conditioning, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4, along with board of review comparables #1, #3 and #4, which are similar to the subject in location and similar, if not identical, to the subject in dwelling size, design, age and many features. These four comparables have improvement assessments that range from \$16,025 to \$18,320 or from \$16.32 to \$18.52 per square foot of living area. The subject's improvement assessment of \$17,320 or \$17.51 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to

the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
