

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nubia Garcia
DOCKET NO.: 23-48440.001-R-1
PARCEL NO.: 18-25-111-007-0000

The parties of record before the Property Tax Appeal Board are Nubia Garcia, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,890
IMPR.: \$22,109
TOTAL: \$25,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of masonry construction with 1,197 square feet of living area. The dwelling is approximately sixty-one years old. Features of the home include one and a half bathrooms and a two-car garage. The property is in Bridgeview, Lyons Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. Each of the appellant comparables are of masonry construction and range in size from 1,344 to 1,152 square feet of living area; and in improvement assessment from \$20,007 to \$21,469 or \$15.53 to \$17.75 per square foot of living space. The appellant comparables range in distance to the subject property from .07 to .30 miles. The appellant is seeking a reduction in total assessment to \$22,479

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,000. The subject property has an improvement assessment of \$22,110 or \$18.47 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review comparables are constructed of frame or frame and masonry material. They range in size from 1,116 to 1,206 square feet of living area; and in improvement assessment from \$21,409 to \$23,409 or \$19.00 to \$20.06 per square foot of living space. The four board comparables are each one quarter mile from the subject property. The board of review is asking for no change in assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables two and board of review comparables one through four*. These comparables most favored the subject property by virtue of their location, size and features. They had improvement assessments that ranged from \$16.75 to \$20.06 per square foot of living area. The subject's improvement assessment of \$18.47 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
