

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerri Karantz Trust
DOCKET NO.: 23-48950.001-R-1
PARCEL NO.: 04-08-302-021-0000

The parties of record before the Property Tax Appeal Board are Jerri Karantz Trust, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,964
IMPR.: \$53,036
TOTAL: \$83,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 4,238 square feet of living area. The dwelling is 34 years old. The home features a basement, central air conditioning, a fireplace and a 3-car garage. The property has a 19,976 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five comparables located within the subject's same assessment neighborhood and from 0.92 of a mile to 1.71 miles from the subject. The comparables consist of class 2-08, 2-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 4,020 to 4,577 square feet of living area. The dwellings are 26 to 57 years old. The comparables have basements, 1 or 2 fireplaces

and a 2-car, 2.5-car or 3-car garage. Four comparables each have central air conditioning. The comparables have improvement assessments that range from \$42,000 to \$49,148 or from \$10.23 to \$11.34 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$45,346) or \$10.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,000. The subject property has an improvement assessment of \$53,036 or \$12.51 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the subject's same assessment neighborhood and within the subject's same block, the same subarea or approximately ¼ of a mile from the subject. The comparables consist of class 2-08, 2-story dwellings of masonry or stucco exterior construction ranging in size from 4,152 to 4,273 square feet of living area. The dwellings are 4 to 27 years old. The comparables have basements, central air conditioning, 2 or 3 fireplaces and a 3-car garage. The comparables have improvement assessments that range from \$54,865 to \$71,502 or from \$12.84 to \$17.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant compared the different age of the board of review comparable #2 to the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3 and #4 which are located over a mile from the subject property, and two of which significantly differ from the subject in age and/or central air conditioning amenity. The Board also gives less weight to the board of review comparables #2 and #4 which significantly differ in age to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #5 and the board of review comparables #1 and #3 which are overall more similar to the subject in location, age, dwelling size and most features. These comparables have improvement assessments ranging from \$49,148 to \$59,996 or from \$11.34 to \$14.45 per square foot of living area. The subject's improvement assessment of \$53,036 or \$12.51 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the

appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
