

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dragan Negovanovic
DOCKET NO.: 23-49880.001-R-1
PARCEL NO.: 15-33-309-024-0000

The parties of record before the Property Tax Appeal Board are Dragan Negovanovic, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,828
IMPR.: \$77,130
TOTAL: \$83,958

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 132-year-old two-story dwelling with 3,309 square feet of living area of frame construction. Features of the home include a full basement, central air conditioning, two full bathrooms, and three half bathrooms. The property has a 6,661 square foot site and is located in La Grange Park, Proviso Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables have the same neighborhood code as the subject property and are located 142 feet to 2,584 feet away. The comparables are 123- to 137-year-old class 2-06 two-story residences with frame construction. The comparables were sold between June 1986 and July 2019 for sale prices between \$145,000

and \$665,000. The comparables have sale prices per square foot between \$50.77 and \$316.67. The appellant is requesting a total assessment of \$67,215.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,957. The subject's assessment reflects a market value of \$839,570 or \$253.72 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparable sales. Three of the comparables are located 0.25 miles away from the subject property. The board of review did not state the distance of comparable #3 to the subject property. The comparables are 70- to 132-year-old two-story residences with frame construction or stucco exterior. The comparables were sold between April 2021 and February 2022 for sale prices between \$870,000 and \$1,000,000. The comparables have sale prices per square foot between \$271.88 and \$353.48. The board of review is requesting that the current assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be board of review's comparable sales #1, #2, #3, and #4. All of the appellant's comparable sales were too remote to be considered, as each comparable was sold at least three years earlier than the 2023 tax year. The best comparables sold for prices ranging from \$271.88 to \$353.48 per square foot of living area, including land. The subject's assessment reflects a market value of \$253.72 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
