

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bernadeta Kuna  
DOCKET NO.: 23-50783.001-R-1  
PARCEL NO.: 18-27-200-008-0000

The parties of record before the Property Tax Appeal Board are Bernadeta Kuna, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,563  
**IMPR.:** \$22,437  
**TOTAL:** \$28,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,305 square feet of above grade living area. The dwelling is approximately 48 years old. Features of the home include a partial basement with finished area, 1 bathroom, one fireplace and a 2-car garage. The property has an approximately 9,675 square foot site and is located in Justice, Lyons Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with split-level class 2-34 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 1,211 to 1,593 square feet of above grade

living area. The homes range from 48 to 57 years old. Each comparable has a partial basement with finished, 1 or 1½ bathrooms, one fireplace and a 2-car garage. Three homes have central air conditioning. The comparables have improvement assessments ranging from \$16,163 to \$25,007 or from \$12.93 to \$16.42 per square foot of above grade living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$19,732 or \$15.12 per square foot of above grade living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,999. The subject property has an improvement assessment of \$22,436 or \$17.19 per square foot of above grade living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with multi-level class 2-34 dwellings of frame and masonry exterior construction ranging in size from 1,191 to 1,387 square feet of above grade living area. The homes are 45 or 49 years old. Each comparable has a partial basement with finished, from 1 to 2 bathrooms and a 2-car garage. One home has central air conditioning and one comparable has a fireplace. The comparables have improvement assessments ranging from \$22,290 to \$24,328 or from \$17.54 to \$18.72 per square foot of above grade living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #2, #3, #4 and #5 along with board of review comparables #2 and #3 which are less similar to the subject in dwelling size and bathroom count than other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparable #1 and board of review comparables #1 and #4 which are more similar to the subject in location, age, design, bathroom count, dwelling size and other features. These comparables have improvement assessments ranging from \$22,033 to \$23,616 or from \$16.42 to \$18.10 per square foot of above grade living area. The subject's improvement assessment of \$22,437 or \$17.19 per square foot of above grade living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
