

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yaser Quad
DOCKET NO.: 23-50849.001-R-1
PARCEL NO.: 18-36-409-042-0000

The parties of record before the Property Tax Appeal Board are Yaser Quad, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,473
IMPR.: \$28,980
TOTAL: \$32,453

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,575 square feet of living area. The dwelling is approximately 22 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 2-car garage. The property has an approximately 7,718 square foot site and is located in Bridgeview, Lyons Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same assessment neighborhood code and within .36 of a mile of the subject property. The comparables have sites that range in size from 7,200 to 7,716 square feet of land area and are improved with multi-level class 2-34 dwellings of frame and masonry or masonry exterior construction ranging in size from

1,242 to 1,657 square feet of living area. The homes range in age from 22 to 57 years old. Each comparable has a basement with finished area, a fireplace and a 2-car garage. Two comparables have a fireplace. The properties sold from April 2021 to October 2023 for prices ranging from \$220,000 to \$290,000 or from \$142.50 to \$177.13 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$26,235 which reflects a market value of \$262,350 or \$166.57 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,453. The subject's assessment reflects a market value of \$324,530 or \$206.05 per square foot of living area, land included, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located in the same assessment neighborhood code and within ¼ of a mile or the same block as the subject property. The comparables have sites that range in size from 6,916 to 7,736 square feet of land area and are improved with multi-level class 2-34 dwellings of frame and masonry exterior construction ranging in size from 1,326 to 1,728 square feet of living area. The homes range in age from 18 to 25 years old. Each comparable has a basement with finished area, central air conditioning, and a 2-car garage. Two comparables have a fireplace. The comparables sold from February 2022 to May 2023 for prices ranging from \$365,000 to \$430,000 or from \$241.32 to \$275.26 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 which are less similar to the subject in age and/or dwelling size and the appellant's comparable #4 which sold in 2021, less proximate to the January 1, 2023 assessment date than other properties in the record.

The Board finds the best evidence of market value to be the board of review's comparables which are similar to the subject in location, age, design, dwelling size and most features. These comparables sold from February 2022 to May 2023 for prices ranging from \$365,000 to \$430,000 or from \$241.32 to \$275.26 per square foot of living area, land included. The subject's market value of \$324,530 or \$206.05 per square foot of living area, land included falls below the range established by the best comparables in this record. After considering appropriate

adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is not justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
