

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Andrews
DOCKET NO.: 23-50860.001-R-1
PARCEL NO.: 14-33-422-049-0000

The parties of record before the Property Tax Appeal Board are David Andrews, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,275
IMPR.: \$95,004
TOTAL: \$137,279

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.¹

Findings of Fact

The subject property consists of a 3-story building of masonry exterior construction with 5,278 square feet of living area. The building is approximately 133 years old. Features of the building include a full basement finished with an apartment. The property has a 3,382 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the subject's assessment neighborhood and within .75 of a mile of the subject. The comparables consist of 2-story or 3-story class 2-11 buildings of masonry

¹ The appellant waived the hearing request and requested to have the appeal decided on the written record without objection from the board of review.

exterior construction ranging in size from 4,637 to 5,204 square feet of building area. The buildings range in age from 125 to 155 years old. Each building has two fireplaces and a full basement. The comparables have improvement assessments ranging from \$66,236 to \$79,000 or from \$13.56 to \$17.04 per square foot of building area. Based on this evidence, the appellant requested a reduced improvement assessment of \$80,226 or \$15.20 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,113. The subject property has an improvement assessment of \$110,838 or \$21.00 per square foot of building area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables consist of 2-story or 3-story class 2-11 dwellings of masonry exterior construction ranging in size from 4,224 to 5,955 square feet of building area. The buildings range from 131 to 133 years old. Two buildings have central air conditioning, two comparables each have one or two fireplaces, three buildings each have a full basement with one having finished area, one comparable has a concrete slab foundation, and one comparable has a 2-car garage. The comparables have improvement assessments ranging from \$75,562 to \$109,453 or from \$17.89 to \$19.98 per square foot of building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparable #3, which differs from the subject in design. The Board also gives less weight to board of review comparables #2, #3, and #4, which differ from the subject in design, foundation, and/or feature central air conditioning or a garage unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 along with the board of review comparable #1, which are similar to the subject in age, location, building size, and features. These comparables have improvement assessments that range from \$66,236 to \$109,453 or from \$13.56 to \$18.38 per square foot of building area. The subject's improvement assessment of \$110,838 or \$21.00 per square foot of building area is slightly above the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, such as basement finish, the Board finds the appellant demonstrated with clear and convincing

evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
