

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Goodman Chicago Condos
DOCKET NO.: 23-50914.001-R-1
PARCEL NO.: 13-28-420-039-0000

The parties of record before the Property Tax Appeal Board are Goodman Chicago Condos, the appellant(s), by attorney John P. Brady, of Tully & Associates, LTD. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,965
IMPR.: \$39,312
TOTAL: \$47,277

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-unit dwelling of masonry construction with 5,400 square feet of living area. The dwelling was 97 years old. Features of the home include a full basement and a two-car garage. The property has a 5,307 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on seven class 2-11 equity comparable properties with varying degrees of similarities to the subject which are located within a 0.72-mile radius of the subject. The improvements ranged: in age from 92 to 101 years; in size from 3,352 to 4,512 square feet of living area; and in improvement assessment from \$5.68 to \$6.39 per square foot of living area. Appellant submitted assessors property cards for suggested comparable properties

based on market value. As this is a corporate owned property it is not an owner-occupied residence. Based on this evidence the appellant is seeking a reduction in the subject's assessment to \$38,637.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,277. The subject property has an improvement assessment of \$39,312 or \$7.28 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four class 2-11 equity comparable properties with varying degrees of similarities to the subject which are located within the same subarea as the subject including one within a ¼-mile radius of the subject. The improvements ranged: in age from 94 to 98 years; in size from 4,428 to 5,592 square feet of living area; and in improvement assessment from \$7.42 to \$8.97 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

At hearing, the appellant, through their attorney, asserted that the evidence of suggested comparables offered by the appellant constituted the best comparables in the record. The appellant requested a reduction in the subject's total assessment to \$38,637.

The board of review representative rested on the evidence in the record.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant submitted evidence in the form of assessor property cards for suggested comparable properties, none of which had a relatively recent sale, purporting to show overvaluation in the assessment process. However, in addition to the inclusion of these properties, the appellant indicated 'assessment equity' on the Residential Appeal form as the basis of this appeal. The market value evidence offered by the appellant will be given no weight. According to PTAB rules, section 1910.50(a), "Each appeal shall be limited to the grounds listed in the petition filed with the Board."

The parties submitted eleven equity comparable properties for the Board's consideration in determining assessment equity. The Board finds the best evidence of assessment equity to be board of review's comparable #4. The other suggested comparables offered by the board of review differed from the subject in square feet of living area, proximity to the subject, and amenities. The suggested comparables offered by the appellant were smaller in square feet of living area than the subject. While this Board finds that the board of review failed to provide evidence of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics to the subject, it is ultimately the appellant's burden of showing

inequity in the assessment process by clear and convincing evidence. The appellant failed to do so and based on the record before the Board it is unable to establish a range for determining assessment equity. Accordingly, the Board finds that the appellant failed to show by clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment on this basis is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
