

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Sullivan
DOCKET NO.: 23-51434.001-R-1
PARCEL NO.: 04-22-303-036-0000

The parties of record before the Property Tax Appeal Board are Mary Sullivan, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,000
IMPR.: \$44,000
TOTAL: \$54,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 1,994 square feet of living area. The dwelling is 21 years old. The home features a full basement, 2½ bathrooms, central air conditioning, a fireplace and a 2-car garage. The property has a 2,622 square foot site and is located in Glenview, Northfield, Cook County. The subject is classified as a class 2-95 townhome or row house property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparables located within the subject's assessment neighborhood and within 0.1 of a mile from the subject. The comparables are improved with class 2-95 dwellings of frame exterior construction containing 1,934 or 2,324 square feet of living area and are each 23 years old. Each comparable

has a full basement, 2½ bathrooms, central air conditioning and a 2-car garage. Three comparables each have a fireplace. The comparables have improvement assessments of \$41,000 and \$46,000 or \$19.79 and \$21.20 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$40,159 or \$20.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,000. The subject property has an improvement assessment of \$44,000 or \$22.07 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood and the same block as the subject. The dwellings consist of class 2-95, 2-story dwellings of frame exterior construction ranging in size from 1,934 to 1,996 square feet of living area. The dwellings are 20 or 22 years old. Each comparable has a full basement, 2½ bathrooms, central air conditioning, a fireplace, and a 2-car garage. The comparables have improvement assessments of \$44,000 and \$56,000 or from \$22.07 to \$28.06 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3 which are less similar to the subject in dwelling size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 and the board of review's comparables that are relatively similar to the subject in location, design, dwelling size, age, and other features. These four comparables have improvement assessments ranging from \$41,000 to \$56,000 or from \$21.20 to \$28.06 per square foot of living area. The subject's improvement assessment of \$44,000 or \$22.07 per square foot of living area falls within the range of the best comparables in the record. Based on this evidence, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels,

all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
