

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: MICHAEL & TONI CAINKAR
DOCKET NO.: 23-51612.001-R-1
PARCEL NO.: 18-05-120-014-0000

The parties of record before the Property Tax Appeal Board are MICHAEL & TONI CAINKAR, the appellants, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,528
IMPR.: \$70,972
TOTAL: \$82,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The property is a 10,480 square foot site located in Western Springs, Lyons Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance. The subject improvement is an approximately 81-year-old, two story dwelling of masonry construction with 3,169 square feet of living area. Features of the dwelling include three bathrooms, a full basement, a fireplace, and a two-car garage.

Appellant contends overvaluation as the basis of the appeal. In support of this argument, appellant submitted an appraisal estimating the subject property had a market value of \$825,000 as of January 1, 2023. The appraiser utilized the sales comparison approach based on six comparable properties that sold between August 2020 and December 2020 and determined the market value for the subject property after adjustments. Based on this evidence, appellant requests the subject property's total assessment be reduced to \$82,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,720. The subject's assessment reflects a market value of \$867,200 or \$273.56 per square foot of living area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted three comparable sales properties. The comparable properties are in the same neighborhood, within a quarter mile of the subject, and are each improved with a class 2-06 dwellings. They ranged in age from 69 to 96 years, in size from 2,828 to 2,865 square feet of living area and sold between July 2021 and October 2022 for prices ranging from \$765,000 to \$1,175,000, or from \$267.02 to \$412.72 per square feet of living area, including land. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the most credible evidence of market value to be the appraisal submitted by the appellant. The appraisal relies on the sales comparison approach, utilizing six comparable properties and providing market-based adjustments to arrive at an opinion of value for the subject property. The subject's assessment of \$867,200 reflects a market value above the best evidence in the record. The Board finds that the subject property had a market value of \$825,000 as of the assessment date at issue. Because market value has been established, the level of assessment for Class 2 property under the Cook County Real Property Assessment Classification Ordinance applies. (86 Ill. Admin. Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
