FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Kunal Berry
DOCKET NO.: 23-51642.001-R-1
PARCEL NO.: 17-16-246-018-1096

The parties of record before the Property Tax Appeal Board are Kunal Berry, the appellant(s), by attorney Glenn Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$2,761
IMPR.:	$32,039
TOTAL:	$34,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium dwelling of masonry construction with 1,354 square feet of living area. Features of the home include a slab foundation and central air conditioning. The property has a 10,202 square foot site and is located in Chicago, South Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in the same condominium building. The comparables had sale prices per square foot ranging from $142.67 to $189.30 per square foot of living area. The appellant requested the subject's total assessment be reduced to $34,111.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 22-59580.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to $34,800 on the evidence submitted by the parties. The tax years 2022 and 2023 are within the same general assessment period for South Chicago Township and the appellant disclosed that the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $39,264. The subject property has an improvement assessment of $36,503. In support of its contention of the correct assessment the board of review submitted a condominium analysis that determined the value of the subject unit based on recent sales in the 104-unit building the subject is located in. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2022 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, section 10-15 of the Illinois Administrative Procedure Act states: “Standard of proof. Unless otherwise provided by law or stated in the agency’s rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence.” 5 ILCS 100/10-15. The Board takes official notice that under 22-59580.001-R-1 it rendered a decision lowering the subject’s assessment for tax year 2022 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2022 and the instant tax year of 2023 are in the same general assessment period for South Chicago Township. The Board further finds that the subject is owner-occupied based on the appellant’s statement in Section II of the 2023 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm’s-length transaction subsequent to the Board’s decision for the 2022 tax year, or that the Board’s decision for the 2022 tax year was reversed or modified upon review. For these reasons the Board finds that a reduction in the subject’s assessment is warranted to reflect the assessment as established in the Board’s 2022 tax year decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
