

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Cole
DOCKET NO.: 23-52619.001-R-1
PARCEL NO.: 04-34-301-017-0000

The parties of record before the Property Tax Appeal Board are Stephen Cole, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,800
IMPR.: \$40,200
TOTAL: \$56,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 2,048 square feet of living area. The dwelling is approximately 71 years old. Features of the home include a basement, central air conditioning, one fireplace and a 2-car garage. The property has an approximately 9,875 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1-story class 2-04 dwellings of frame or frame and masonry exterior construction ranging in size from 2,001 to 2,649 square feet of living area. The homes

range from 58 to 105 years old. Three comparables have a basement and one comparable has a crawl space foundation. Each dwelling has central air conditioning, two homes each have one fireplace and three comparables have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$34,567 to \$41,589 or from \$14.94 to \$18.50 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$34,263 or \$16.73 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,000. The subject property has an improvement assessment of \$40,200 or \$19.63 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, one of which is located in the same assessment neighborhood code as the subject property. The comparables are improved with 1-story class 2-03 or class 2-04 dwellings of frame exterior construction ranging in size from 1,649 to 2,119 square feet of living area. The homes are from 66 to 70 years old. Each comparable has a basement, one or two fireplaces and a 2-car garage. Three dwellings have central air conditioning. The comparables have improvement assessments ranging from \$33,204 to \$50,752 or from \$20.14 to \$28.66 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives reduced weight to appellant comparables #1, #3 and #4 which differ from the subject in age, foundation type and/or garage amenity. The Board gives little weight to board of review comparables #2, #3 and #4 which are less similar to the subject in location, classification and/or dwelling size than other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparable #2 and board of review comparable #1 which are more similar to the subject in location, age, design, dwelling size and most features. These two comparables have improvement assessments of \$35,600 and \$46,472 or \$17.79 and \$21.93 per square foot of living area. The subject's improvement assessment of \$40,200 or \$19.63 per square foot of living area is bracketed by the two best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
