

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Blue Chair Capital, LLC
DOCKET NO.: 23-52787.001-R-1
PARCEL NO.: 25-20-318-011-0000

The parties of record before the Property Tax Appeal Board are Blue Chair Capital, LLC, the appellant, by Robert Rosenfeld, attorney-at-law of Robert H. Rosenfeld & Associates, LLC in Northbrook, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,875
IMPR.: \$6,190
TOTAL: \$8,065

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry exterior construction containing 1,060 square feet of living area. The dwelling was constructed in 1967 and is approximately 56 years old. Features of the property include a full basement, central air conditioning, one bathroom, and a 2-car garage. The property has a 3,750 square foot site located in Chicago, Lake Township, Cook County. The subject is classified as class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables composed of class 2-03 properties improved with one-story dwellings of frame and masonry exterior construction that range in size from 1,040 to 1,104 square feet of living area. The homes are 53 to 67 years old. Each property has a full basement, central air conditioning, 1

or 1½ bathrooms, and a 2-car garage. The comparables have the same assessment neighborhood code as the subject property and are located from .6 of a mile to 2 miles from the subject property. The comparables have improvement assessments ranging from \$2,625 to \$5,110 or from \$2.43 to \$4.63 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$3,975.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,065. The subject property has an improvement assessment of \$6,190 or \$5.84 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables composed of class 2-03 properties improved with one-story dwellings of frame and masonry exterior construction that range in size from 1,040 to 1,116 square feet of living area. The dwellings are 57 or 59 years old. Each property has a full or partial basement with two having finished area, one bathroom, and a 2-car garage. One comparable has central air conditioning. These properties have the same assessment neighborhood code as the subject property and are located ¼ of a mile from the subject. The comparables have improvement assessments of \$12,125 and \$12,155 or from \$10.86 to \$11.66 per square foot of living area. The board of review contends the building assessed value per square foot for the comparables are the same or higher than the subject, which supports the assessed value as equitable.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on eight equity comparables with the same classification code and neighborhood code as the subject property to support their respective positions. The Board gives more weight to the board of review comparables that are more similar to the subject property in location than are the comparables presented by the appellant. The board of review comparables are similar to the subject in age, size and most features with the exception that three of the comparables do not have central air conditioning, a feature of the subject property, and would require upward adjustments to make them more equivalent to the subject for this difference. The board of review comparables have improvement assessments of \$12,125 and \$12,155 or from \$10.86 to \$11.66 per square foot of living area. The subject's improvement assessment of \$6,190 or \$5.84 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
