

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: JER & Associates
DOCKET NO.: 23-53089.001-R-1
PARCEL NO.: 15-22-101-084-0000

The parties of record before the Property Tax Appeal Board are JER & Associates, the appellant, by attorney William I. Sandrick, of Sandrick Law Firm, LLC in Homewood; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,956
IMPR.: \$39,891
TOTAL: \$42,847

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 4,058 square feet of gross building area that is approximately 63 years old. The building includes six apartment units; four of which are 2 bedroom/1 bathroom and two of which are 1 bedroom/1 bathroom. Other features of the property include a basement finished with an apartment and an asphalt parking surface with six parking spaces. The property has an approximately 5,376 square foot site or a 1.32:1 land-to-building ratio and is located in Broadview, Proviso Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$330,000 as of January 1, 2023. The appraisal was prepared by David M. Richmond, a Certified General

Real Estate Appraiser. The intended use of the appraisal was to estimate the market value of the subject “in order to establish an equitable ad valorem tax assessment.”

In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value selecting six comparable sales located in Broadview, Maywood or Bellwood. The comparables have land-to-building ratios ranging from 1:1 to 2.13:1, from five to eight 1 and 2 bedroom apartment units and are improved with 1-story or 2-story buildings. The appraiser rated the comparables inferior, superior or similar in condition, when compared to the subject’s average condition rating. The comparables sold from September 2020 to October 2021 for prices ranging from \$250,000 to \$430,000 or from \$40,625 to \$66,667 per rental unit, land included.

The appraiser adjusted the comparables for differences from the subject in number of rental units, story height, condition, and/or location arriving at adjusted per unit sale prices of the comparables ranging from \$52,813 to \$56,438 and a per unit opinion of market value for the subject of \$55,000 or a market value of \$330,000 for the subject property. Based on this evidence, the appellant requested the subject’s assessment be reduced to reflect the appraised value when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,847. The subject's assessment reflects a market value of \$428,470 or \$105.59 per square foot of gross building area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparables located in Broadview or Bellwood. The comparables have sites that range in size from 5,025 to 7,875 square feet of land area and are improved with 2-story class 2-11 buildings of masonry exterior construction ranging in size from 2,864 to 3,618 square feet of gross building area and are 59 to 64 years old. Each comparable has a basement with finished area and one comparable has a 2-car garage. The comparables sold from December 2021 to July 2022 for prices ranging from \$440,000 to \$525,000 or from \$128.06 to \$181.79 per square foot of gross building area, land included. Based on this evidence, the board of review requests the subject’s assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant submitted an appraisal and the board of review submitted four comparable sales for the Board’s consideration. The Board finds the comparables selected by the appraiser sold

from 15 to 28 months prior to the January 1, 2023 assessment date when more recent sales of multi-family buildings were available as demonstrated by the board of review's comparable sales. As a result, less weight is given to the opinion of value for the subject as presented in the appraisal. The Board also gives less weight to board of review comparables #1 and #3 which are less similar to the subject in building size.

The Board finds the best evidence of market value to be board of review comparables #2 and #4 which sold more proximate to the January 1, 2023 assessment date and are generally similar to the subject in location, age and other features. These two board of review comparables sold in February and April 2022 for prices of \$440,000 and \$510,000 or \$128.06 to \$140.96 per square foot of gross building area, including land. The subject's assessment reflects a market value of \$428,470 or \$105.59 per square foot of gross building area, including land, which falls below the two best comparable sales in the record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
