FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jason Stuck
DOCKET NO.: 23-53096.001-R-1
PARCEL NO.: 18-07-223-030-0000

The parties of record before the Property Tax Appeal Board are Jason Stuck, the appellant(s), by attorney Michael Elliott, of Elliott & Associates Attorneys, PLLC in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$8,905
IMPR.:	$102,415
TOTAL:	$111,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, 3,972-square-foot industrial building of masonry construction. The property has a 9,894-square-foot site located in Lyons Township and Western Springs, Cook County. The property is a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of $1,210,000 as of January 1, 2023.

The appellant also made a contention of law argument. In support of the contention of law argument the appellant submitted a brief stating Class 2 property in Cook County is supposed to be assessed at an ordinance level of 10% of market value; however, recent sales ratio studies

performed by the Illinois Department of Revenue and Daniel McMillan, Professor, Department of Real Estate at the University of Illinois ("McMillan"), Chicago, both indicate that median sales ratios of Class 2 property in Cook County are well below the mandated ordinance level of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $141,808. The subject's assessment reflects a market value of $1,418, 080 or $33.46 per square foot of building area, including land, when applying the 2023 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted four sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of $1,210,000 as of the assessment date at issue. Since market value has been established the 2023 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
