

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Magnum Holding, LLC  
DOCKET NO.: 23-53293.001-R-1  
PARCEL NO.: 18-02-312-020-1001

The parties of record before the Property Tax Appeal Board are Magnum Holding, LLC, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$362  
**IMPR.:** \$6,238  
**TOTAL:** \$6,600

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a condominium unit within a 61-year-old, multi-story, masonry, 50-unit condominium building. The property is located in Lyons, Lyons Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement which disclosed the subject was purchased on December 1, 2021, for \$66,000. The petition discloses that the transfer was not between related parties, that it was sold with the assistance of a realtor, that the property was advertised on the MLS for four months, and that the sale was not due to a contract for deed or foreclosure. The settlement statement names the seller as Sheri Dolejs. The petition disclosed the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,836 which reflects a market value of \$78,360 when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted data on seven sales of units within the subject's building. These units sold from January 2021 to November 2023 for an aggregate total of \$427,183. This total was divided by the percentage of ownership of the units sold of 15.3100% to arrive at a value for the building of \$279,022. This value was then multiplied by the subject's percentage of ownership of 2.8000% for an estimated value for the subject of \$78,126. The board of review also included the MLS of a condominium unit located near the subject.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in December 2021 for a price of \$66,000. The appellant submitted evidence of the sale of the subject with involvement of realtors and the board of review did not show the sale was not at arm's-length. Based on this record the Board finds the subject property had a market value of \$66,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
