

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jim & Dorothy Papagiannis
DOCKET NO.: 23-53829.001-R-1
PARCEL NO.: 04-20-207-040-0000

The parties of record before the Property Tax Appeal Board are Jim & Dorothy Papagiannis, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,085
IMPR.: \$37,914
TOTAL: \$56,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 2,851 square feet of living area. The dwelling is approximately 45 years old. Features of the home include a slab foundation, central air conditioning, 3 ½ baths, a fireplace and a 2-car garage. The property has a 12,723 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on seven comparables that have the same neighborhood code as the subject and located within .31 of a mile from the subject, two of which are on the same street as the subject. The comparables are improved with class 2-78 properties improved with 2-story dwellings of frame or frame and masonry exterior

construction ranging in size from 2,464 to 3,496 square feet of living area. The dwellings are 46 to 60 years old. Six homes have partial or full basements and one home has a slab foundation. The comparables each have central air conditioning, 2 ½ baths, one or two fireplaces and a 2-car garage. One comparable has two additional half baths. The comparables have improvement assessments ranging from \$30,628 to \$43,801 or from \$10.42 to \$12.63 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,999. The subject property has an improvement assessment of \$37,915 or \$13.30 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same neighborhood code as the subject and located on same block and/or street as the subject. The comparables are class 2-78 properties improved with 2-story dwellings of frame and masonry exterior construction ranging in size from 2,574 to 3,256 square feet of living area. The dwellings are 43 to 48 years old. Three comparables have partial basements, one with finished area and one comparable has a slab foundation. The comparables each have central air conditioning, 2 ½ to 3 ½ baths, one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$38,033 to \$46,157 or from \$14.05 to \$16.18 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven equity comparables for the Board's consideration. The Board gives less weight to appellants' comparables #1, #3 and #7 due to differences from the subject in age or dwelling size.

The Board finds the best evidence of assessment equity to be appellants' comparables #2, #4, #5 and #6 along with the board of review comparables which are more similar to the subject in age and dwelling size. However, adjustments are necessary for differences in bathroom count and/or foundation. These comparables have improvement assessments ranging from \$30,628 to \$46,157 or from \$11.53 to \$16.18 per square foot of living area. The subject has an improvement assessment of \$37,915 or \$13.30 per square foot of living area, which falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not prove by clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
