

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael A. Maes  
DOCKET NO.: 23-54566.001-R-1  
PARCEL NO.: 24-10-426-003-0000

The parties of record before the Property Tax Appeal Board are Michael A. Maes, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,586  
**IMPR.:** \$21,978  
**TOTAL:** \$27,564

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,444 square feet of living area. The dwelling is approximately 63 years old. Features of the home include a full basement, central air conditioning and a 2-car garage. The property has an approximately 7,980 square foot site and is located in Oak Lawn, Worth Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03, 1-story dwellings of masonry exterior construction that range in size from 1,338 to 1,709 square feet of living area. The dwellings range in age from 64 to 70 years old. Three comparables each have a slab foundation and two comparables each have a full basement. Each comparable has either one or two fireplaces and from a 1.5-car to a 2.5-car

garage. Two comparables each have central air conditioning. The comparables have improvement assessments that range from \$15,719 to \$22,897 or from \$11.75 to \$13.40 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$18,368 or \$12.72 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,564. The subject property has an improvement assessment of \$21,978 or \$15.22 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03, 1-story dwellings of masonry exterior construction that range in size from 1,138 to 1,508 square feet of living area. The dwellings range in age from 63 to 66 years old. Each comparable has a full basement and either a 1-car or 2-car garage. Three comparables have central air conditioning and three comparables each have one fireplace. The comparables have improvement assessments that range from \$23,041 to \$25,041 or from \$16.41 to \$20.25 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested equity comparables for the Board's consideration. The Board has given less weight to appellant's comparables #1, #3 and #5 due to their slab foundations when compared to the subject's full basement. The Board has given reduced weight to board of review comparable #4 due to its smaller dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #4 along with board of review comparables #1, #2 and #3. The Board finds that these comparables are most similar to the subject in design, age, foundation, dwelling size and some features. These most similar comparables have improvement assessments ranging from \$19,428 to \$25,041 or from \$12.25 to \$17.52 per square foot of living area. The subject's improvement assessment of \$21,978 or \$15.22 per square foot of living area falls within the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
