

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: McNulty Custom Homes LLC.  
DOCKET NO.: 23-56034.001-R-1  
PARCEL NO.: 18-04-329-010-0000

The parties of record before the Property Tax Appeal Board are McNulty Custom Homes LLC., the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,535  
**IMPR.:** \$28,465  
**TOTAL:** \$34,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The property is a 6,150 square foot site located in La Grange, Lyons Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance. The subject improvement is an approximately 100-year-old, two-story dwelling of frame construction with 1,400 square feet of living area. Features of the dwelling include two bathrooms, a full basement, and a one-car garage.

The appellant's appeal is based on overvaluation. In support of this claim, the appellant submitted documentation showing that the subject property was purchased on August 19, 2022, for \$340,000. The appellant completed Section IV – Recent Sale Data of the appeal, indicating that the sale was conducted through a realtor, was advertised on a multiple listing service for approximately three months, was not the result of a foreclosure or contract-for-deed transaction,

and did not involve related parties. The appellant also submitted a settlement statement and sales contract. The appellant requested that the assessment be reduced to reflect the 2022 purchase price.

The Board of Review submitted its Notes on Appeal, reporting a total assessment of \$41,000. Based on the total assessment, the subject property's implied market value is \$410,000, or \$292.86 per square foot of living area, land included, when applying the 10% level of assessment for Class 2 property. The Board of Review submitted no other evidence.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property on August 19, 2022, for \$340,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related and the property had been advertised for sale. In further support of the transaction the appellant submitted a copy of the sales contract and settlement statement contemplating a transaction between a willing seller and a willing buyer. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. The Board finds the purchase price is below the market value reflected by the assessment. Therefore, a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
