Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of three residential units within a condominium building. The subject building is located in Chicago, West Chicago Township, Cook County. The property is classified as a class 2-99 residential condominium under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2023 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 21-28371. In that appeal, the Property Tax Appeal Board issued a decision lowering the total assessments for the subject property to \$170,000 based on an agreement between the parties. The appellant

asserts that the subject is owner-occupied and 2023 is within the same general assessment period which runs from 2021 to 2023. Based on this evidence, the appellant requests the 2022 tax year decision to “be carried forward” to the 2023 tax year.

The board of review submitted its "Board of Review Notes on Appeal." The board of review did not disclose the first year of the general assessment period but did disclose that no township equalization factor was applied in 2023 by county assessment officials. The board of review did not challenge the appellant’s assertion that the subject property is an owner-occupied dwelling. The board of review did not submit any comparable properties in support of its contention of the correct assessment but did include in its evidence a copy of Docket Number 21-28371.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2023 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the assessment as established by the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2023 tax year at issue subject only to equalization, if any, as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the total assessments for the subject property under Docket Number 21-28371 to \$170,000 for the 2021 tax year based on an agreement between the parties. The record further indicates that the subject property is an owner-occupied dwelling and the Board finds that 2021 and 2023 are within the same general assessment period for West Chicago Township. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor was not applied in the 2023 tax year by county assessment officials. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2021 tax year decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
