Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two condominium units located in a 3-unit condominium building. The building is located on a 3,125 square foot site, in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2023 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is owner-occupied and was the subject matter of an appeal before the Property Tax Appeal Board in a prior year under Docket Number 21-36621. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject

property to \$108,586 based on the weight of the evidence in the record. The appellant asserted that tax years 2021 and 2023 are within the same general assessment period.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessments for the subject of \$109,382. The Board finds that 2021 was the beginning of the general assessment period for the subject property and that no township equalization factor was applied in 2023 by county assessment officials. The board of review did not challenge the appellant's assertion that the subject property is owner-occupied. The board of review did not provide any evidence in support of its contention of the correct assessment. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2023 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the 2023 tax year at issue subject only to equalization, if any, as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's total assessment for the 2021 tax year to \$108,586. The record further indicates that the subject property owner-occupied and that 2021 and 2023 are within the same general assessment period. The record contains no evidence indicating that the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor was not applied in the 2023 tax year by county assessment officials. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
