

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rachel Sacco  
DOCKET NO.: 23-56258.001-R-1  
PARCEL NO.: 14-19-429-015-0000

The parties of record before the Property Tax Appeal Board are Rachel Sacco, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$56,250  
**IMPR.:** \$40,250  
**TOTAL:** \$96,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with an approximately 134-year-old, two-story building of frame construction containing 3,150 square feet of gross building area. Features of the subject include a full basement, central air conditioning, two fireplaces, and a two-car garage. The property is situated on 4,500 square feet in Lake View Township, Cook County. The property is a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts contention of law as the basis of the appeal. In support of this contention the appellant asserted that the subject property assessment qualifies as a rollover of the reduced assessment from a PTAB decision under docket #21-42380.001-R-1. In that decision the assessment was reduced to \$96,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,712. The subject property has an improvement assessment of \$46,462, or \$14.75 per square foot of living area. The board of review did not submit any evidence in support of its contention of the correct assessment.

### **Conclusion of Law**

The appellant asserts a contention of law in requesting the rollover of a previous 2021 PTAB assessment reduction for the 2023 assessment. There is a previous decision on the subject property. The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.  
35 ILCS 200/16 -185

Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10 15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of 2023 are in the same general assessment period for Lakeview Township. The Board further finds that the subject is owner occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner occupied. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's decision for the 2021 tax year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence that the subject's assessment should be carried forward to the 2023 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2021 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
