

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robeth Molina
DOCKET NO.: 23-56402.001-R-1
PARCEL NO.: 13-14-316-004-0000

The parties of record before the Property Tax Appeal Board are Robeth Molina, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,713
IMPR.: \$14,277
TOTAL: \$24,990

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,234 square feet of living area. The home is approximately 120 years old. Features include a full basement and a 2-car garage. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board (PTAB) for the 2022 tax year should be carried forward to the 2023 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the PTAB in the prior year under Docket Number 22-45423. In that appeal, the PTAB issued a decision lowering the assessment of the subject property to \$24,990

based on the weight of the evidence in the record. Based on this evidence, the appellant requests that the PTAB “carry forward” the 2022 tax year decision to the 2023 tax year.

The board of review submitted its "Board of Review Notes on Appeal." The board of review disclosed that 2024 was the beginning of the general assessment period for the subject property which means the prior general assessment cycle began in 2021 and runs through the 2023 tax year, and that no township equalization factor was applied in 2023 by county assessment officials. The board of review did not challenge the appellant’s assertion that the subject property is an owner-occupied dwelling. The board of review did not submit any comparables in support of its contention of the correct assessment.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the PTAB for the 2022 tax year should be carried forward to the 2023 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the assessment as established by the PTAB for the 2022 tax year should be carried forward to the 2023 tax year at issue subject only to equalization, if any, as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the PTAB issued a decision reducing the subject's assessment for the 2022 tax year under Docket Number 22-45423 to \$24,990 based on the weight of the evidence in the record. The record further indicates that the subject property is an owner-occupied dwelling and the PTAB finds that 2022 and 2023 are within the same general assessment period for Jefferson Township. The record contains no evidence indicating the subject property sold in an arm's length transaction after the PTAB's decision or that the decision of the PTAB has been reversed or modified upon review. The record also disclosed that a township equalization factor was not applied in the 2023 tax year by county assessment officials. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2022 tax decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
