

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Addison
DOCKET NO.: 23-56604.001-R-1
PARCEL NO.: 14-17-304-015-0000

The parties of record before the Property Tax Appeal Board are Brian Addison, the appellant, by attorney Anne E. Edelman-Larsen, of the Law Offices of Frank A. Edelman, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,750
IMPR.: \$64,000
TOTAL: \$97,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied 2-story dwelling of frame exterior construction with 2,732 square feet of living area. The dwelling is approximately 117 years old. Features of the home include a partial basement, central air conditioning, and a 2-car garage. The property has a 3,750 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 4, 2020 for a price of \$977,500. The appellant also submitted a copy of the Board's decision in Docket No. 21-40326.001-R-1, in which the Board reduced the subject's assessment to \$97,750. Based on

this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,591. The subject's assessment reflects a market value of \$995,910 or \$364.54 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance. The board of review indicated that 2021 was the first year of the general assessment period for Lake View Township.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2021 tax year under Docket No. 21-40326.001-R-1 in which a decision was issued based upon the evidence presented by the parties reducing the subject's assessment to \$97,750. The record indicates that the subject property is an owner-occupied dwelling. The Board also finds that the 2021 and 2023 tax years are within the same general assessment period and no equalization factor was applied in Lake View Township in 2023. Furthermore, the decision of the Property Tax Appeal Board for the 2021 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold as of the January 1, 2023 assessment date in order to establish a different fair cash value. Therefore, applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$97,750.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
