

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Ciceri  
DOCKET NO.: 24-00113.001-R-1  
PARCEL NO.: 04-26-101-001

The parties of record before the Property Tax Appeal Board are Jennifer Ciceri, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Winnebago County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Winnebago** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,752  
**IMPR.:** \$77,774  
**TOTAL:** \$97,526

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 2,040 square feet of living area. The dwelling was constructed in 1972. Features of the home include a full basement, central air conditioning, a fireplace, and a 633 square foot garage. The property is located in Roscoe, Roscoe Township, Winnebago County.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2023 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 23-05053. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the

subject property to \$87,522 based on the agreement of the parties. The appellant asserted that tax years 2023 and 2024 are within the same general assessment period.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,259. The subject's assessment reflects a market value of \$297,807 or \$145.98 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%. The board of review's evidence disclosed that a township equalization factor of 1.1341 was applied in 2024. The board of review also submitted a memorandum in which it agreed to the appellant's request to carry the 2023 assessment forward to the 2024 tax year subject to the applied equalization factor.

In rejecting the proposed stipulation, the appellant submitted a copy of the Board of Review Notes on Appeal together with a chart displaying township equalization factors for tax years 2006 to 2024, with Roscoe Township highlighted. The chart denotes an equalization factor of 1.1143 was applied in Roscoe Township for tax year 2024 in contrast to the equalization factor of 1.1341 as presented on the Notes on Appeal.

### **Conclusion of Law**

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2023 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2023 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2023 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2023 and 2024 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The Board finds that a township equalization factor of

1.1143 was applied in Roscoe Township in 2024. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
