

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Meyer & Katherine Abarbanel
DOCKET NO.: 24-00182.001-R-1
PARCEL NO.: 10-22-304-063

The parties of record before the Property Tax Appeal Board are Meyer & Katherine Abarbanel, the appellants; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 43,520
IMPR.: \$158,369
TOTAL: \$201,889

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied residence located in Fremont Township, Lake County.

The appellants contend the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2023 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellants disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 23-03222. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$184,982 based on the evidence submitted by the parties. The appellants asserted that tax years 2023 and 2024 are within the same general assessment period. Based on this argument, the appellants requested the subject's assessment be reduced to \$184,982.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$215,321. The board of review offered to reduce the subject's assessment to \$201,889, which reflects the Property Tax Appeal Board's 2023 final decision of \$184,982 plus application of the 2024 Fremont Township equalization factor of 1.0914, pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200-16-185).

The appellants were notified of this suggested assessment and given thirty (30) days to respond if the offer was not acceptable. The appellants responded to the Property Tax Appeal Board by the established deadline rejecting the proposed assessment.

Conclusion of Law

The appellants raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2023 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by this Board for the 2023 tax year shall be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, **subject to equalization**, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2023 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2023 tax year and the 2024 tax year are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor of 1.0914 was applied in Fremont Township the 2024 tax year. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's 2023 decision plus application of an equalization factor. ($\$184,982 \times 1.0914 = \$201,889$).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
