

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shilan Deng
DOCKET NO.: 24-00479.001-R-1
PARCEL NO.: 15-16-313-032

The parties of record before the Property Tax Appeal Board are Shilan Deng, the appellant, by attorney Arden Edelcup, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,343
IMPR.: \$155,219
TOTAL: \$206,562

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,453 square feet of living area. The dwelling was constructed in 1991. Features of the home include a full basement with finished area, central air conditioning, two fireplaces and a 672 square foot garage. The property has a 15,030 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within .781 of a mile from the subject. The comparables are described as 2-story dwellings of frame exterior construction ranging in size from 3,378 to 3,530 square feet of living area. The dwellings were constructed from 1989 to 1991. Each home has a basement with finished area, central air conditioning, and a garage ranging in size from 405 to 703 square feet

of building area. Four comparables each have one fireplace. The comparables have improvement assessments ranging from \$122,782 to \$145,845 or from \$36.06 to \$41.86 per square foot of living area.

Based on this evidence the appellant requests a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$206,652. The subject property has an improvement assessment of \$155,219 or \$44.95 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .73 of a mile from the subject. The comparables are described as 2-story dwellings of frame exterior construction ranging in size from 3,378 to 3,546 square feet of living area. The dwellings were built from 1988 to 1991 and have basements with finished area. Each home has central air conditioning, one fireplace, and a garage with 405 or 703 square feet of building area. The comparables have improvement assessments ranging from \$152,613 to \$160,845 or from \$45.07 to \$45.84 per square foot of living area. Based on this evidence the board of review requests confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten equity comparables for the Board's consideration which are similar to the subject in location, age, dwelling size, and most features. These comparables had improvement assessments that ranged from \$122,782 to \$160,845 or from \$36.06 to \$45.84 per square foot of living area. The subject's improvement assessment of \$155,219 or \$44.95 per square foot of living area falls within the range established by the comparables in this record.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. The requirement is satisfied if the intent is evident to adjust the taxation burden with a reasonable degree of uniformity and if such is the effect of the statute enacted by the General Assembly establishing the method of assessing real property in its general operation. A practical uniformity, rather than an absolute one, is the test. *Apex Motor Fuel Co. v. Barrett*, 20 Ill. 2d 395 (1960). Although the comparables presented by the parties disclosed that properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity which appears to exist on the basis of the evidence.

Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds appellant did not demonstrate with clear and convincing

evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
