

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glenn Udell
DOCKET NO.: 24-00492.001-R-1
PARCEL NO.: 16-34-412-044

The parties of record before the Property Tax Appeal Board are Glenn Udell, the appellant, by attorney Glenn L. Udell, of Brown, Udell, Pomerantz, DelRahim in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$81,668
IMPR.: \$272,146
TOTAL: \$353,814

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,186 square feet of living area. The dwelling was constructed in 1989 and is 35 years old. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a garage containing 792 square feet of building area. The property has an approximately 21,770 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the subject's assessment neighborhood and within .97 of a mile of the subject. The comparables consist of two-story dwellings of wood siding or brick exterior construction ranging in size from 3,560 to 4,704 square feet of living area. The homes were built from 1977 to 1988. Each dwelling has central air conditioning, a fireplace, a full basement with

finished area, and a garage ranging in size from 441 to 598 square feet of building area. The comparables have improvement assessments ranging from \$211,180 to \$262,131 or from \$55.73 to \$59.32 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$242,770 or \$58.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$353,814. The subject property has an improvement assessment of \$272,146 or \$65.01 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and within .5 of a mile of the subject. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 4,244 to 5,110 square feet of living area. The homes were built from 1989 to 1999. Each dwelling has central air conditioning, a fireplace, a full basement with two having finished area, and a garage ranging in size from 736 to 816 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments ranging from \$286,604 to \$319,198 or from \$62.47 to \$67.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant noted differences between the subject and the comparables presented by the board of review, and argued that the appellant's comparables were superior to the board of review's comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1 and #3, as well as board of review comparable #1, which differ from the subject in dwelling size. The Board also gives less weight to board of review comparable #3, which features an inground swimming pool unlike the subject, and comparable #4, which lacks finished basement area, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and board of review comparable #2, which are similar to the subject in location, dwelling size, and features. These comparables have improvement assessments of \$262,131 and \$286,604 or \$55.73 and \$67.53 per square foot of living area. The subject's improvement assessment of \$272,146 or \$65.01 per square foot of living area is bracketed by the two best comparables in

this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
