

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Carn
DOCKET NO.: 24-00510.001-R-1
PARCEL NO.: 15-23-155-002

The parties of record before the Property Tax Appeal Board are Charles Carn, the appellant, by attorney David Kieta, of Kieta Law LLC in Winfield; and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,053
IMPR.: \$51,150
TOTAL: \$58,203

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 1,304 square feet of living area. The dwelling was constructed in 1900 and is 124 years old. Features of the home include a basement, central air conditioning, and a garage containing 220 square feet of building area. The property has a 7,405 square foot site and is located in Aurora, Aurora Township, Kane County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located in the subject's assessment neighborhood and within .17 of a mile of the subject. The comparables consist of 1.5-story dwellings of frame exterior construction ranging in size from 1,424 to 1,522 square feet of living area. The homes are each 124 years old. Each dwelling has a full or partial basement. Three comparables have central air conditioning and one comparable has a 240 square foot garage. The comparables have improvement assessments

ranging from \$42,073 to \$56,511 or from \$28.40 to \$38.27 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$47,518 or \$36.44 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$58,203. The subject property has an improvement assessment of \$51,150 or \$39.23 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on seven equity comparables located within the subject's assessment neighborhood and within .21 of a mile of the subject.¹ The comparables consist of 1.5-story or 2-story dwellings of frame exterior construction ranging in size from 1,211 to 1,498 square feet of living area. The homes were built from 1900 to 1910. Each dwelling has a basement and a garage ranging in size from 216 to 576 square feet of building area. Four comparables have central air conditioning. The comparables have improvement assessments ranging from \$47,990 to \$60,992 or from \$39.58 to \$42.38 per square foot of living area.

The board of review also submitted a copy of the subject's 2012 listing and a chart depicting median sale prices in the subject's ZIP code from 2022 to 2025.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 13 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1, #2, #4, #5, and #6, as well as board of review comparables #3, #6, and #7, which lack central air conditioning and/or a garage, features of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 along with board of review comparables #1, #2, #4, and #5, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$43,230 to \$60,992 or from \$28.40 to \$40.72 per square foot of living area. The subject's improvement assessment of \$51,150 or \$39.23 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds

¹ The board of review's comparable #8 is a duplicate of comparable #3.

the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
