

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Lee
DOCKET NO.: 24-00556.001-R-1
PARCEL NO.: 04-09-204-009

The parties of record before the Property Tax Appeal Board are Timothy Lee, the appellant, by attorney Arden Edelcup, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,933
IMPR.: \$91,144
TOTAL: \$99,077

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,362 square feet of living area. The dwelling was constructed in 1985 and is 39 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a garage containing 529 square feet of building area. The property has a 10,560 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the subject's assessment neighborhood and within .41 of a mile of the subject. The comparables consist of one-story dwellings of frame exterior construction ranging in size from 1,312 to 1,476 square feet of living area. The homes were built from 1985 to 1989. Each dwelling has a basement and a garage ranging in size from 528 to 720 square feet

of building area. Two comparables have central air conditioning and one comparable has a fireplace. The comparables have improvement assessments ranging from \$80,732 to \$89,369 or from \$60.55 to \$61.53 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$82,806 or \$60.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,077. The subject property has an improvement assessment of \$91,144 or \$66.92 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and within .56 of a mile of the subject. The comparables consist of one-story dwellings of brick or wood siding exterior construction ranging in size from 1,290 to 1,471 square feet of living area. The homes range from 41 to 47 years old. Each dwelling has central air conditioning, a fireplace, a basement with one having finished area, and a garage ranging in size from 576 to 1,456 square feet of building area. The comparables have improvement assessments ranging from \$95,752 to \$121,654 or from \$65.09 to \$88.16 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant submitted a property record card for the board of review's comparable #3 and noted that the comparable has a pole building unlike the subject.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparable #3, which lacks central air conditioning, a feature of the subject. The Board also gives less weight to board of review comparables #3 and #4, which feature either a pole building or finished basement area unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 along with board of review comparables #1 and #2, which are similar to the subject in age, location, dwelling size, and some features. These comparables have improvement assessments that range from \$80,732 to \$121,654 or from \$60.55 to \$88.16 per square foot of living area. The subject's improvement assessment of \$91,144 or \$66.92 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
