

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Butke  
DOCKET NO.: 24-00568.001-R-1  
PARCEL NO.: 04-32-404-013

The parties of record before the Property Tax Appeal Board are David Butke, the appellant, by attorney Arden Edelcup, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,913  
**IMPR.:** \$89,557  
**TOTAL:** \$96,470

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,440 square feet of living area. The dwelling was constructed in 2001 and is 23 years old. Features of the home include a full basement, central air conditioning, and a 484 square foot garage. The property has an approximately 8,710 square foot site and is located in Beach Park, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 1.04 miles of the subject, two of which are in the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood or vinyl siding exterior construction ranging in size from 1,352 to 2,003 square feet of living area. The homes were built from 1960 to 2006. Each dwelling has central air conditioning, a basement with three having finished area, and a garage ranging in size

from 400 to 672 square feet of building area. Three comparables each have one or two fireplaces. The parcels range in size from 7,840 to 41,380 square feet of land area. The comparables sold from March 2021 to November 2023 for prices ranging from \$208,000 to \$310,000 or from \$153.85 to \$183.99 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$82,498, for an estimated market value of \$247,519 or \$171.89 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,460. The subject's assessment reflects a market value of \$322,412 or \$223.90 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within .22 of a mile of the subject, one of which is in the subject's assessment neighborhood. Comparable #2 is the same property as appellant comparable #3. The comparables consist of one-story dwellings of wood or vinyl siding exterior construction containing either 1,120 or 2,003 square feet of living area. The dwellings are either 18 or 35 years old. One dwelling has central air conditioning and a fireplace. Each comparable has a full basement with one having finished area and a garage containing either 506 or 672 square feet of building area. The parcels each contain 7,840 square feet of land area. The comparables sold in June 2023 and February 2024 for prices of \$260,000 and \$310,000 or \$154.77 and \$232.14 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #1 and #2, which sold less proximate to the January 1, 2024 assessment date at issue. The Board gives reduced weight to the appellant's comparables #4 and #5, which differ from the subject in age, location, and or site size.

The Board finds the best evidence of market value to be the parties' shared comparable and board of review comparable sale #1, which sold proximate to the assessment date at issue and are

overall more similar to the subject in age, location, site size, and some features. These most similar comparables sold in June 2023 and February 2024 for prices of \$260,000 and \$310,000 or \$154.77 and \$232.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$322,412 or \$223.90 per square foot of living area, including land, which is above the two best comparable sales in this record overall and bracketed by the comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
