

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wilfred Rodems
DOCKET NO.: 24-00569.001-R-1
PARCEL NO.: 05-12-130-004

The parties of record before the Property Tax Appeal Board are Wilfred Rodems, the appellant, by attorney Dennis M. Nolan, of the Law Office of Dennis M. Nolan, P.C. in Bartlett; and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,220
IMPR.: \$197,626
TOTAL: \$241,846

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and stone exterior construction with 3,692 square feet of living area. The dwelling was constructed in 2013 and is 11 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 748 square foot garage.¹ The property has a 14,810 square foot site and is located in Elgin, Plato Township, Kane County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located within the subject's subdivision and within .1 of a mile of the subject. The comparables consist of two-story dwellings of frame or frame and brick exterior construction

¹ The Board finds the listing sheet and appraisal submitted by the board of review, which was not refuted by the appellant in rebuttal, to be the best evidence of the subject's features.

ranging in size from 3,560 to 4,010 square feet of living area. The homes range in age from 4 to 12 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement, and a garage ranging in size from 636 to 787 square feet of building area. The appellant did not disclose the basement finish, if any, of the comparables. The comparables have improvement assessments ranging from \$170,337 to \$201,034 or from \$46.51 to \$50.73 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$180,022 or \$48.76 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$241,846. The subject property has an improvement assessment of \$197,626 or \$53.53 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's subdivision and within .16 of a mile of the subject. The comparables consist of two-story dwellings of frame or "other/brick" exterior construction ranging in size from 3,181 to 3,846 square feet of living area. The homes were built from 2012 to 2017. Each dwelling has central air conditioning, a fireplace, a basement with finished area, and a garage ranging in size from 638 to 800 square feet of building area. The comparables have improvement assessments ranging from \$190,893 to \$235,326 or from \$55.82 to \$62.89 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the comparables presented by the appellant, for which no information was provided regarding the comparables' basement finish, if any.

The Board finds the best evidence of assessment equity to be the comparables submitted by the board of review, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$190,893 to \$235,326 or from \$55.82 to \$62.89 per square foot of living area. The subject's improvement assessment of \$197,626 or \$53.53 per square foot of living area falls within the range established by the best comparables in this record overall and below the range on a per-square-foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
